

This Is A Wave

Burning Brides

Yeah, I don't know why I feel so hollow
Something's about to end
I don't know what it is I should have said

Yeah, I disappear and I resurface you just dig far away
I give you something more than words can say

This is a wave, This is a wave
This is a wave, This is a wave

Yeah, I don't know why I feel so hollow
Something's about to end
I don't know what it is I should have said

Goodbye
