Close To You

Why do birds suddenly appear every time you are near

Just like me, they long to be close to you

Why do stars start fall down from the sky every time you walk by?

Just like me, they long to be close to you

On the day that you were born the angels got together

And decided to create a dream come true

So they sprinkled moon dust in your hair of gold and starlight in

Your eyes of blue

That is why all the boys in town follow you all around

Just like me, they long to be close to you
