

Alien Chords

Bush

A

Well the satellite comes and goes

D

we give each other all we know

A

in silence we still talk

D

by the light of the stereo waltz

A

and you will rain down

D

in your cinematic love truck

A

D

i want to hold you like nothing's going stop us

F#m

She come to take me away

E

it's all that i needed

G

F#m

i don't breathe another lover

A

Flicker on a TV screen

D

everything's more than it seems

A

the mighty backward fall

D

stare at the lights on the wall

A

i swear to this

D

she felt like velvet

A

D

second blond child she ment it

F#m

She comes to take me away

E

its all that i needed

G

F#m

i don't breathe another lover

A

I'm an alien

A

you're an alien

D/F#

it's a beautiful rain

D/F#

beautiful rain

D/F#

beautiful rain
