

Head Of Ghosts

Bush

F C D B

A

I stand around at American weddings

C

I stand around for family

A

At my best when I'm terrorist inside

C

at my best when it's all me

A

I was there when they took all the people

C

I was alone in a mental ravine

A

You breathe life when you break the walls down

C

You breathe life when you set me free

F C

Where is my head where are my bones

D B

Why are my days so far from home

F C

Ghostman - where is my head - where are my bones

D B

Can you save me from myself

A C

A

Free-thinking renegade social

C

Mr. Moon Man now

A

Out the slipstream of my possibilities

C

got the boat so we don't drown

A

These are the days that I'm split down the middle

C

No words to calm me down

A

Be sure that what you dream of

C

won't come to hunt you out

F C

Where is my head where are my bones

D B

Why are my days so far from home Ghostman

F C

Where is my head where are my bones

D B

How come we get so lost Ghostman

F C

Ghostman - where is my head - where are my bones

D B

Can you save me from myself

Can you save me from myself

A

I stand around at American weddings

C

I stand around for family

A

At my best when I'm terrorist inside

C

at my best when it's all me

F C

Ghostman

D B

How come we get so lost

F C

Where is my head - where are my bones

D B

Can you save me from myself

Can you save me from myself

F C

Where is my head - where are my bones

D B

Where is my head - where are my bones
