

Peace-s

Bush

Open your mind
Set you free
Open your eyes
So you can see
Hang on to your love bugs
Hang on to your love
I remember you
Your name is on my heart

When you feel like there's nothing left
When you feel like you lost control
Hold on to your innocence
Hold on to your soul

We don't see things
As they are
But when I dive inside you
I lose myself

Hang on to your love bugs
Hang on to your love
I have tried to find you
Endlessly

When you feel like there's nothing left
When you feel like you lost control
Hold on to your innocence
Oh, hold on to your soul

Peace-s, peace-s
Peace-s, peace-s
P-e-a-c-e-s
P-e-a-c-e-s

I'm in a danger zone
Never did feel so alone
As I stand out here
And disappear
Still the night's been so long
You been holding on
The miles we come
The miles to go

When you feel like there's nothing left
When you feel like you lost control
Hold on to your innocence
Oh, hold on to your soul

Peace-s, peace-s
Peace-s, peace-s
P-e-a-c-e-s
P-e-a-c-e-s
P-e-a-c-e-s
P-e-a-c-e-s
