

# Swallowed

Bush

Warm sun feed me up  
I'm leery loaded up  
Loathing for a change  
and i slip some  
Boil away

Swallowed followed  
Heavy about everything but my love  
Swallowed  
Sorrowed  
I'm with everyone and yet not  
I'm with everyone and yet not  
I'm with everyone and yet not

Just wanna be myself  
Hey you said that you would love to try some  
Hey you said that you would love to die some  
In the middle of a world on a fishhook  
You're the wave  
You're the wave  
You're the wave

Swallowed borrowed  
Heavy about everything but my love  
Swallowed hollowed  
Sharp about everyone but yourself  
Swallowed oh no  
I'm with everyone and yet not  
I'm with everyone and yet not  
I'm with everyone and you're not  
I'm with everyone and yet not

Piss on self-esteem  
Forward  
Busted knee  
Sick head  
Blackened lungs  
And i'm a simple Selfish son

Swallowed followed  
Heavy about everything but my love  
Swallowed oh no  
I'm with everyone and yet not  
I'm with everyone and yet not  
I'm with everyone and yet not  
Got to get away from here  
Got to get away from here  
Got to get away from here  
Got to get away from here  
I miss the one that I love a lot  
I miss the one that I love a lot  
I miss the one that I love a lot  
I love
