

The One I Love

Bush

This one goes out to the one I love
This one goes out to the one I've left behind
A simple prop to occupy my time
This one goes out to the one I love

Fire
This one goes out to the one I love
This one goes out to the one I've left behind
Another prop has occupied my time
This one goes out to the one I love

So far away
So far away
We're so far away from home
And I feel fine

Far away
So far away
We're so far away from home
And we feel fine

And this one goes out
Yes this one goes out
Oh this one this one
This one this one
This one goes out to the one I love
This one goes out to the one I've left behind
A simple prop to occupy my time
This one goes out to the one I love
