## The One I Love

This one goes out to the one I love This one goes out to the one I've left behind A simple prop to occupy my time This one goes out to the one I love

Fire This one goes out to the one I love This one goes out to the one I've left behind Another prop has occupied my time This one goes out to the one I love

So far away So far away We're so far away from home And I feel fine

Far away So far away We're so far away from home And we feel fine

And this one goes out Yes this one goes out Oh this one this one This one this one This one goes out to the one I love This one goes out to the one I've left behind A simple prop to occupy my time This one goes out to the one I love
