

Arab Money

Busta Rhymes

Ron Browz! Yes!
I'm way back in the most amazing way
Well lemme introduce you to the new talk
Let's get straight to it, c'mon!

La ilaha illa Allah, ha la ili, hay yo
Hili b'Allah, hey, hili bay yo
We getting Arab money
We getting Arab money

Hala sheiki, ha lini falla
Mili ha lan shi inni mala
We getting Arab money
We getting Arab money

Now there ain't no way that you can kill a beast dead
I got Middle East women and Middle East bread
I got oil well money, in the desert playing golf
Go chase short stack sheiki with a Louis scarf

Chest cold diamonds make a nigga wanna cough
In Dubai 20 million on a villa loft
And then I step up in the club then these other niggas mad as shit
The way I make the people wanna sing the hook in Arabic

La ilaha illa Allah, ha la ili, hay yo
Hili b'Allah, hey, hili bay yo
We getting Arab money
We getting Arab money

Hala sheiki, ha lini falla
Mili ha lan shi inni mala
We getting Arab money
We getting Arab money

Seven star hotels, Maybach, movies
Sick, big ass, knock-kneed, camel toe, Gucci
Pretty women walk around while security on camel-back
Club on fire now, niggas don't know how to act

Sitting in casinos while I'm gambling with Arafat
Money long, watch me purchase pieces of the Almanac
Y'all already know I got the streets bust
While I make ya bow down and make salaah like a Muslim

La ilaha illa Allah, ha la ili, hay yo
Hili b'Allah, hey, hili bay yo
We getting Arab money
We getting Arab money

Hala sheiki, ha lini falla
Mili ha lan shi inni mala
We getting Arab money
We getting Arab money

See now I take trips to Baghdad, dummy wow
Use a stack of chips to count Arab money now

I don't need to get fresh, about to grow a beard dude
So much cake even the money look weird too

Domestic bread and a broad
I'm tryna eat like Prince Al-Waleed bin Talal Al-Saud
Who might respect the value of my worth
In Maui, Malaysia, Iran and Iraq, Saudi Arabia!

La ilaha illa Allah, ha la ili, hay yo
Hili b'Allah, hey, hili bay yo
We getting Arab money
We getting Arab money

Hala sheiki, ha lini falla
Mili ha lan shi inni mala
We getting Arab money
We getting Arab money
