Yeah.. Busta Rhymes now, Flipmode now, check it See we in two-thousand-and-three already, catch up to us Yeah, yeah, yeah, hah, huh

Now motherfuckin case closed The shit blow your speaker, keep turnin your base low Spaz out because I motherfuckin say so Before I blow this bitch like we down in Waco Thick in cock diesel, that's the way we roll Big truck shit, even my bitch whippin the Range Rov' We 'bout to skyrocket and THE WAY WE GO The way the bitches lookin love THE WAY WE BLOW Check it, we light shit up like Broadway yo The crack-head rappers better JUST SAY NO Before I turn stupid and back the heat slow Lay and wait for niggaz in the back street yo Weak flow, take your shit like I'm comin to Repo Create a crowd scene and stack a bunch of people We bustin through the doors, shootin through your peephole The shoot that never miss is like shootin a free throw All you niggaz better go and..

Call the ambulance, come and pick up your people
Call the ambulance, come and pick up your people
Call the ambulance, come and pick up your people
Put they body on the stretcher, carry they ass out
Call the ambulance, come and pick up your people
Call the ambulance, come and pick up your people
Call the ambulance, come and pick up your people
I'll put they body on the stretcher, carry they ass out
Call the ambulance

Catch sixteen to remove your organs H-2-O ridin round in same orbits Notorious from New York to New Orleans House come with the lake swimmin with dolphins Fifty keys with large proportions Caught a few niggaz on money extortions Niggaz snitch, F.B.I. is hawkin Call Johnny Cochran, yo this nigga is walkin Shit, we got to close down the club Me and my cousin Bust, we like Crockett and Tubbs Pushin Lambo's, big chains and dubs Lead the Flipmode security with snubs Uppin club levels, hundred G's and up And if them ducks rollin Bust I'm beatin it up The streets ain't safe, yo we heatin it up The party's on smash, now we tweakin it up The bitches want this dick so they eatin it up

Now all you bitches better go and...

Call the ambulance, come and pick up your people Call the ambulance, come and pick up your people Call the ambulance, come and pick up your people Put they body on the stretcher, carry they ass out Call the ambulance, come and pick up your people

Call the ambulance, come and pick up your people
Call the ambulance, come and pick up your people
I'll put they body on the stretcher, carry they ass out
Call the ambulance

Flipmode, we in heavy conjunction
We shut it down in every function
Beat you in yo' head until your brain malfunction
Yo Bust, call the label, tell 'em we in production
Pinky ring status so it's no discussion
Stop talkin shit, niggaz dodgin and duckin
I'm cream cheese with the english muffin
I still got respect in the Flatbush junction, HEY

Huh, it's like we shakin down a dude
We like a pack of dogs that come to take a nigga food
My niggaz flip quicker than a FUCKIN interlude
I beat niggaz head and blood drippin through a tube
Peep bitch, I'm only here to change the fuckin mood
And freeze you niggaz money like a nigga gettin sued
And leave you in the church watchin your body gettin viewed
Don't get it fucked up or even misconstrued
All you niggaz better go and..

Call the ambulance, come and pick up your people
Call the ambulance, come and pick up your people
Call the ambulance, come and pick up your people
Put they body on the stretcher, carry they ass out
Call the ambulance, come and pick up your people
Call the ambulance, come and pick up your people
Call the ambulance, come and pick up your people
I'll put they body on the stretcher, carry they ass out
Call the ambulance
