Busta Rhymes

If two dollars gettin made, we want in  
If a stock is gettin trade, we want in  
A record gettin played, we want in  
A message to the game, that we want in  
Whoaaaaaaohhhh, we want in  
Whoaaaaaaohhhh, this is a fair warning  
Whoaaaaaaohhhh, we want in

This is my block (block) this is my shop (shop)  
Fuck a ex-cuse, give me mines off the top  
What'chu waitin on? All my patience is gone  
I ain't waitin on no man, I stick to the program  
Keep the pockets bulky like the muscles on Conan, swollen  
European cars I be rollin - Spliff!
