

# Wine & Go Down

Busta Rhymes

Yo, baby girl, let me take you to the essence  
Give flap with a ribbon girl you love my presence  
Look at me and let division deliver the message  
You're ready to leave your dues, listen  
Give me a second

And know ...di gyal me wine up  
...wine your ...really wine up  
Pretty like flow...  
Long time yu mi ...  
She a wine like Macarena... ina spanich, como te yamo

He yo, you see the way I'm coming,  
And how I creep behind them  
Aiming with a rifle coming and seeking the...  
So many mommies, let me go and just...  
Now I'm ready to go and mountain climbing that spliff  
You're model agency, now let me sign them  
Cause they beautiful like a botanical garden on the salem  
...you know... standing beside them

Hey, you say you need me? Or you want watch me like you want...  
You want every gyal yo use you talk...believe me  
Wine and go down, wine and go down, get down  
Wine and go down, wine and go down, get down  
Wine and go down, wine and go down, get down

Me na mi dogs everybody wanna follow me  
...

You know you're ...pretty enough...and everything about you proper  
...and see nobody better...  
And every time I come you gotta know I put it on you  
Baby girl until you sleeping wake up saying good maniana

Hey, you say you need me? Or you want watch me like you want...  
You want every gyal yo use you talk...believe me  
Wine and go down, wine and go down, get down  
Wine and go down, wine and go down, get down  
Wine and go down, wine and go down, get down

Me love da... a mi see a got me...  
Original, ... ina chralie...  
Looking a di ...

Yo so many woman wish I probably...  
Take the whole... biggy ina de ...  
Momy I go ... sorry

Hey, you say you need me? Or you want watch me like you want...  
You want every gyal yo use you talk...believe me  
Wine and go down, wine and go down, get down  
Wine and go down, wine and go down, get down  
Wine and go down, wine and go down, get down.
