

Peace Reign

Busy Signal

And mi say let peace reign for all mankind
Man tired ah de war and crime
Just like how God shine the sunshine
Show love all the time not only sometime
Peace reign for all mankind
We tired ah de war and crime
Give thanks fi de air, de rain, de sunshine
Do good all the time not only sometime

Give thanks fi everything
Ah Jah run the globe and govern it while it ah spin
God alone, mi praise from mi heart deep within
No evil man cyaan win, no way
Look wey gwaan inna Haiti
Dont even think for ah second like Jah hate we
But when Jah wrath, him do it greatly
Good suffer fi de bad, down to the baby
Nuff wickedness inna de world
Dem darken the future fi de boys and de girls
But memba dis yuh cyaan replace love wid diamonds and pearls
