

Turn Of The Screw

Buzzcocks

Some things I wanna talk about
Let's take this world, and knock it out
To make you believe what it's all about, yeah

But do you need it in your life?
Feel it in your life?
Turning of the screw
The things it makes you do, yeah

Some things I wanna shout about
To make it clear without a doubt
Just take these stones, and throw them out, yeah
And when you think about it all the time
You've got to jump and walk the line
Time and time and time and time again

But do you need it in your life?
Feel it in your life?
The turning of the screw
Things it makes you do, yeah
Well, can you breathe it in your life?
Mean it in your life?
The turning of the screw
Things it makes you do, yeah

And I can't bring up anything
That could make you change your mind
Livin' life is easy livin' blind

But can you need it in your life?
Feel it in your life?
The turning of the screw
Things it makes you do, yeah
Well, can you breathe it in your life?
Mean it in your life?
The turning of the screw
Things it makes you do, yeah

Turning of the (Turning of the)
Turning of the (Turning of the)
Turning of the (Turning of the)
Turning of the (Turning of the)
Turning of the, turning of the
Turning of the, turning of the screw
