

Lord You Are My Everything

Byron Cage

[BYRON CAGE]

You are everything, my love, my joy, my song, my peace... all the day
long
Oh and everything is you, you're the air I breathe, you're the song t
hat I sing, (my Lord)
You are everything

[KAREN CLARK-SHEARD]

You are everything, my love, my joy, my song, my peace... (Oh) all th
e day long
And everything is you; you're the air that I breathe, and the song th
at I sing,
(oh yea yea yea yea, oh Lord)
I say it's you

[LEADERS AND CHOIR ALTERNATE]

My joy
That's you
Oh everything that I ever needed, that's you
Oh that's you
My peace, that's you
That's you
My my my my joy, (oh) that's you
Oh oh oh that's you
Everything is you Lord
That's you
Everything that I needed, that's you

You are everything

Everything

You're my light in a dark place, the smile on my face

You're my song

Oh Lord You're everything

Everything

[MARVIN WINANS]

[Repeat VERSE]

There is none like you
None like you
You're Alpha and Omega
And everything between

There is none like you
And I'll always sing your praises
(Always sing.... Forever sing)

[Ad lib]

Oh Oh Oh oh oh

You are everything
