

## Do You Love As You Look

C.C. Catch

Oh, I'm dreaming like a taxi girl  
Oh surrender, love me, and be my world  
Lights are down, come play this song again  
Oh forever, just together, be my man

It's oh a little piece of my heart baby  
It's oh my heart  
Oh you so lonely, night, oh be my lover  
Oh, I can't restart

Do you love as you look?  
Nobody closer like you do  
Oh, we have just tonight  
There is a reason and you  
Do you love as you look?  
Oh, you belong to strangers  
Oh, I'm lost in your love  
Step inside my heart

Hey hey, do you love?  
Your love is good to look  
Your love is good to look tonight  
Hey hey, do you love?  
Your heart is notable  
Your love is good to look tonight

Love it's just a little breath away  
Secret lover, be my lover, be my day  
Do you feel, oh baby, what I feel?  
Your you're beating, your desire, you're so real

It's oh a little piece of my heart baby  
It's oh my heart
