

## End of the Movie

Cake

People you love  
Will turn their backs on you  
You'll lose your hair  
Your teeth  
Your knife will fall out of its sheath  
But you still don't like to leave before the end of the movie  
People you hate will get their hooks into you  
They'll pull you down  
You'll frown  
They'll tar you and drag you through town  
But you still don't like to leave before the end of the movie  
No you still don't like to leave before the end of the show  
People you hate will get their hooks into you  
They'll pull you down  
You'll frown  
They'll tar you and drag you through town  
But you still don't like to leave before the end of the movie  
No you still don't like to leave before the end of the show
