Okay alright, uh no  
This one, this one, this one

Heads of state, who ride and wrangle  
Who look at your face, from more than one angle  
Can cut you from their bloated budgets  
Like sharpened knives to chicken mc nuggets

Shut the fuck up, no  
Shut the fuck up  
(Shut the fuck)  
Right, right  
Learn to buck up  
(Shut the fuck)

Right, shut the fuck up  
Hey ho  
(Shut the fuck)  
Now, now  
Learn to buck up

(Oh)  
One, two, one two three four  
Alright

Now, nimble fingers that dance on numbers  
Will eat your children and steal your thunder  
While heavy torsos that heave and hurl  
Who crunch like nuts in the mouth of squirrels

(Shut the fuck)  
Right, shut the fuck up  
Hey ho, ya  
(Shut the fuck)  
Ya ya  
Learn to buck up

Now, simple feet that flicker like fire  
And burn like candles in smoky spires  
Do more to turn, my joy to sadness  
Than somber thoughts of burning planets

Now, clever feet that flicker like fire  
And burn like candles in smoky spires  
Do more to turn, my joy to sadness  
Than somber thoughts of burning planets

(Shut the fuck)  
Alright, okay I don't  
(Shut the fuck)  
Wanna, I don't wanna hear it  
That's right  
(Shut the fuck)  
Oh, okay I don't wanna  
(Shut the fuck)

I don't wanna  
(Shut the fuck)  
Hey, ho, ya  
(Shut the fuck)  
I don't wanna  
I don't wanna  
(Yea, one two one two one)
