

# I'm Not Alone

Calvin Harris

**Am** **G**  
Can you stay up for the weekend  
**Dm** **F**  
And blame God for looking too old  
**Am** **G**  
Can we find all that you stand for  
**Dm** **F**  
Has been replaced with mountains of gold

You cannot dream yourself to notice  
To feel pain and swallow fear  
But can you stay up for the weekend  
Till next year

God I can't do this any more  
Though I'll be laid down on the floor  
As many feet walk through the door  
I'm not alone

If I see a light flashing  
Could this mean that I'm coming home  
If I see a man waving  
Does this mean that I'm not alone

If I see a light flashing  
Could this mean that I'm coming home  
If I see a man waving  
Does this mean that I'm not alone, no

If I see a light flashing  
Could this mean that I'm coming home  
If I see a man waving  
Does this mean that I'm not alone

If I see a light flashing  
Could this mean that I'm coming home  
If I see a man waving  
Does this mean that I'm not alone, no
