

Under Control

Calvin Harris

C **Am**
I might be anyone
Em **D**
A lone fool out in the sun
C **Am**
Your heartbeat of solid gold
Em **D**
I love you, you'll never know

C **Am** **Em**
When the daylight comes you feel so cold,
D
You know
C **Am** **Em**
I'm too afraid of my heart to let you go

D **C**
Waiting for the fire to light
Am **Em**
Feeling like we could do right
D **C**
Be the one that makes tonight
Am **Em**
'Cause freedom is a lonely road
D
We're under control

We're under control

I might be anyone
A lone fool out in the sun
Your heartbeat of solid gold
I love you, you'll never know

When the daylight comes you feel so cold,
You know
I'm too afraid of my heart to let you go

Waiting for the fire to light
Feeling like we could do right
Be the one that makes tonight
'Cause freedom is a lonely road
We're under control

Waiting for the fire to light
Feeling like we could do right
Be the one that makes tonight
'Cause freedom is a lonely road
We're under control

We're under control
