

# Be Your Friend

Calvin Richardson

## LYRICS

((Spoken Word Intro))

You know everybody needs somebody to depend on. Somebody to, be there for you when things are going rough in life. I'd like to be the one that when the whole world is falling on you, I wanna be the one you could turn to

VERSE 1:

I'd like to be the one  
On a cold winter's night  
Who would wine and dine you  
By the fireplace, and the candle lights

VERSE 2:

And to sweet music  
We'll make love again and again...  
Girl most of all, I just wanna be  
I just wanna be the one that holds you

PRE-CHORUS:

(When you're feeling sad)  
The one that makes you smile  
(When you're feeling bad)  
Girl, it is what it is  
(We don't have to pretend)  
Girl, I just wanna be  
I just wanna be the one that holds you...  
(When you feeling sad)  
The one that makes you smile  
(When you're feeling bad)  
Girl, it is what it is  
(We don't have to pretend)  
Girl, I just wanna be  
I just wanna be the one!

CHORUS

Be your friend (girl)  
Let me be your friend (OH...)  
Wanna stick by you...  
Through thick and thin...  
Let me be the one...  
(The one you call on)  
Swear I'll never do you wrong  
(I'll never do you wrong...)  
Oh... I just wanna be there for you

(When you NEED someone...)

BASS INTERLUDE

VERSE 3:

(I wanna be the one...)  
When the morning comes...  
You'll wake up and you'll look at me and you'll say  
You had so much fun

VERSE 4:

And may!!! Maybe, Baby! You'll say to me  
Let's do it again, I guarantee, we'll have a good time  
Because you are my friend...  
I wanna be the one that holds you...

PRE-CHORUS:

(When you're feeling sad)  
The one that makes you smile  
(When you're feeling bad)

Said it is what it is  
(We don't have to pretend)  
I Just Wanna Be, I just wanna be the one that holds you
