May Be Someday

Calvin Russell

Oh you know I really felt like givin'up today I couldn't find a real good reason to go on this way Went to my gypsy to have my fortune read She just took one good look and this is what she said

Maybe someday Things will get better Maybe someday But what do I do 'till then ?

Maybe someday But what do I do 'till then ?

Oh really felt like givin'all that up today I couldn't find a real good reason to go on this way Went to my gypsy to have my fortune read She just took one good look and this is what she said

Maybe someday Things will get better But what do I do 'till then ?
