

Rude and Cuban, Mexicana mmm, mean switch when she movin'
I be up in the Heights right in the mix of the fuedin'
I keep my toolo, cause I'm no foolo
Españo mas o menos but tu quiero culo
She said "Ooh you fresco" I said "Boo but I'm fresh though
Let's go, sexo, tu bece webo
How'd I pursue", said "She not in the mood"
I said "Not to be rude, ma I'm a popular dude"
"Oh the guy from the tube, who be rockin' them cubes"
We can rock in Moraco, there you can rock in the nude
Two seven a night, huh, she said (aye dios mio)
I got 'em there, I can't, well adios dear
Caught a fish in the sea, and I go fishin' god
I caught 50 thousand all on my fishin' rod

(Aye dios, aye dios mio)

(Aye dios, aye dios mio)

Calette Callette Callette Ca-Calette

I know Dominicans with boats that get it off the coast
And pitch it all in boats from the milli or the post
They feelin' me the most cause when I'm pickin' up a key
The supplier say "Calette" and gimme one for free
But I'm shinin' cause I'm grindin' hijo
Every diamond frio, the Montecito
The bitch'll say (aye dios mio)
Not from Reno, he pulled up in the drop with Tito
Watch me tiko I run outta roads, pop ya kleeco
I chop badeko, that's cooked crack you hood rat
Pushin' where you push at, you ain't even a good pack
That means your cook's wack, besides that doja I'm fly
That's what I tell 'em when I'm strollin' it by
I'm like, "Como tu estas? Donde tu va?
No need to get ya number, yo no voy a damma
Yo ma, I know that you shy, let's go and get high"
Next thing you know he strokin' her side and she's yelling out
