

A Boy's Life

Camel

I try to see through your eyes
But life keeps changing the view
Are we so unlike?
It's a boy's life after all..
It's a boy's life
Afterall.

Have I really forgotten
The way I felt at fifteen?
When things were taken for granted,
It's a boy's life after all...
It's a boy's life
Afterall.
