

# My Oh My

Camila Cabello

They say he likes a good time  
(My oh my)  
He comes alive at midnight  
(Every night)  
My mama doesn't trust him  
(My oh my)  
He's only here for one thing but  
(So am I)

Yeah, a little bit older  
A black leather jacket  
A bad reputation  
Insatiable habits  
He was onto me  
One look and I couldn't breathe  
Yeah, I said if he kissed me  
I might let it happen

I swear on my life that I've been a good girl  
Tonight I don't want to be her

They say he likes a good time  
(My oh my)  
He comes alive at midnight  
(Every night)  
My mama doesn't trust him  
(My oh my)  
He's only here for one thing but (Let's go)  
(So am I)

Look, I'm the type to make her turn on her daddy  
DaBaby make her forget what she learned from her daddy  
I don't be trippin' on lil' shawty, I let her do whatever she please  
I don't be kissin' on lil' shawty, she don't be kissin' on me either  
She came with you then left with me, I went up a point, let's call it even (Yeah)  
Don't like the car she in, gon' end up buying her a new Beamer (Let's go)  
That girl know what she want, she make me take it off when she see me (Let's go)  
She say I make her wet whenever my face pop up on TV  
I had to say, "No disrespect, gotta do it safe or you can keep it"  
Pop star, I'm fresh up out the trap and I'm goin' Bieber  
She know I'ma call away, she can drop a pin and I'd come meet her  
Stand next to me, you gon' end up catchin' a fever  
I'm hot (Yeah)

I swear on my life that I've been a good girl (Good girl, good girl)  
Tonight I don't want to be her

They say he likes a good time  
(My oh my)  
He comes alive at midnight  
(He comes alive, oh every night)  
My mama doesn't trust him  
(My oh my)  
He's only here for one thing but  
(So am I)

My my my my my oh my  
My mama doesn't trust you baby  
My my my my my oh my  
And my daddy doesn't know you, no  
My, my, my, my, my oh my (Oh my, my, my, my oh my)  
My, my, my, my, my oh my (My, my, ooh)

They say he likes a good time  
(My oh my)  
He comes alive at midnight  
(Every night)  
My mama doesn't trust him  
(My oh my)  
He's only here for one thing but  
(So am I)
