

**Kfir**

**Camille**

(But the sun)

Kfir  
Nobody will  
Nobody will run after you  
Kfir  
Nobody will  
Nobody will help  
Kfir  
Nobody will  
Nobody will run after you  
But the sun

Everybody has their own bubble inside  
Waiting for the show  
That will set their world on fire  
Everybody has their own eyes to dry  
Every body except mine

Kfir  
Nobody will  
Nobody will run after you  
Kfir  
Nobody will  
Nobody will help  
Kfir  
Nobody will  
Nobody will run after you  
But the sun

Everybody has their own smile to hide  
Waiting for the blow  
That will steal one of their lives  
Everybody has their own blood to wipe  
Every body except mine

Kfir  
Nobody will  
Nobody will run after you  
Kfir  
Nobody will  
Nobody will help  
Kfir  
Nobody will  
Nobody will run after you  
But the sun

But the sun  
Burning fist  
That you miss  
Inside of you  
But the sun  
Burning gift  
Slowly drifts  
Away from you  
(Le soleil de ton pays  
Est le même que celui du pays ennemi oh)

Kfir  
Nobody will  
Nobody will run after you  
Kfir  
Nobody will  
Nobody will help  
Kfir  
Nobody will  
Nobody will run after you  
But the sun
