

Everything you love, everything you hate.  
All will burn in my wake.  
What the f\*\*k do you want to say to me now  
That your time is running out?

Everything you have, everything you hold.  
Don't be scared to let it go.  
Don't you know that I could make you pray for death?  
You want this to end; I would not hold your breath.

Motherf\*\*kers try to make me somethin' I'm not.  
I'm just in love with death 'cause death is all I got.  
Motherf\*\*kers try to make me somethin' I'm not.  
I'm just in love with death 'cause death is all I got.

Everything you want, everything you crave.  
All you have, I will take,  
So what the f\*\*k do you want to say to me now  
That your time is running out?

Everything you are, everything you'll be.  
Nothing you do will mean a f\*\*k to me.  
Now can't you see the final sign in the air?  
One last kiss and then we disappear.

Motherf\*\*kers try to make me somethin' I'm not.  
I'm just in love with death 'cause death is all I got.  
Motherf\*\*kers try to make me somethin' I'm not.  
I'm just in love with death 'cause death is all I got.
