

I Hate Your Kids

Cancerslug

[Verse]

I hate your motherf*ckin' kids
And so does everybody else
Nobody wants to hear about 'em
Keep 'em to your f*ckin' self
And all these stupid f*ckin' people
And then all these goddamn kids
They should all be spayed & neutered
Like their motherf*ckin' pets

[Chorus]

Because I hate your kids (I really do)
Yes, I hate your kids (And f*ck you too)

[Verse]

Ahhh, I hate your motherf*ckin' kids
They're just annoying little brats
I'd like to bash their f*ckin' heads in with a f*cking baseball bat
And those filthy little f*ckers are as special as you mean
Unless by special you mean retarded

You should of drowned them in the sink

[Chorus]

Because I hate your kids (I really do)
Yes, I hate your kids (Man f*ck your goddamn kids)
(And f*ck you too)

[Bridge]

And the world, we got to save the planet earth
(f*ck you, f*ck you, f*ck you, f*ck you, f*ck you)
'Cause if you know, we've given birth
(f*ck you, f*ck you, f*ck you, f*ck you, f*ck you)
'Cause this stupid cycle has gone on too long
(f*ck you, f*ck you, f*ck you, f*ck you, f*ck you)
So f*ck you all and your spawn

[Chorus]

'Cause I hate your kids
And the whole f*cking world really hates your kids
(Man, f*ck your stupid ass goddamn kids) (And f*ck you too)
