

## If I Should Die Tonight

Cancerslug

I have seen your suicides  
Melodramatic lives  
I have seen your fucked up point of view  
I have got no where to go  
No one to trust I know  
I have got nothing to fucking do  
And its all right if I should die tonight  
Yeah, its alright with me  
I have got my innocence  
And I'm going to fuck you with it  
And I won't stop until I am through  
My mother said that my brain was fucked  
And that I would end up dead if I don't stop the stupid shit I  
do
