

Suicide Kingdom

Cancerslug

I'm the king of death and your my dead queen.
and we rule together in a suicide kingdom.
Don't you fucking try to understand.
All the lunatics are in control of the asylum.
Shut the fuck up and we will slip right by them.
They are the ones who never gave a damn.
So we will run.
To the end of this world.
Holding hands.
We will rise above death.
To see life for what it is.
I'm the king of death and your my dead queen.
and we rule together in a suicide kingdom.
Don't you fucking try to understand.
All the lunatics are in control of the asylum.
Shut the fuck up and we will slip right by them.
They are the ones who never gave a damn.
So we will run.
To the end of this world.
Holding hands.
We will rise above death.
To see life for what it is.
and I don't think we could turn back now even if we wanted to.
and I don't think we were ever part of this fucking world we knew.
So we will run.
To the end of this world.
Holding hands.
We will rise above death.
To see life for what it is.
A fucking mess.
