

# Papyrus Containing the Spell to Protect Its Possessor Against Attacks from Cannabis Corpse

Sativa master, mighty lord of weed  
(Mighty lord of weed)  
Please grant your knowledge unto me

The foul bringer of bud shall be  
Reborn in the smoke (reborn in the smoke)  
Invoke holy spirit of the one most dank

Long have we  
Traveled seeking  
Weed most divine  
We must get high

You stand upon necks of authority  
At each side the bongs of chaos  
Thousands of dead shall lay before me  
Roasting the bones of our enemy... the enemy...

"Read from the papyrus containing the spell to protect its possessor against attacks from he who is in the bong water"

Protection from the loathsome  
Non-smokers we seek  
Oh great one of exalted herb please bestow us  
With your dank gifts  
Bowls that burn the souls of the slain  
Praise to the altars of glass  
Bless us with your exhalation  
Open your holy lungs  
Savage and unmerciful  
Laying waste to everything  
Primordial anger  
Now unleashed!

You stand upon necks of authority  
At each side the bongs of chaos  
Thousands of dead shall lay before me  
Roasting the bones of our enemy... the enemy...
