

Be Healed

Canton Jones

[Verse 1:]

He was wounded for our transgressions
He was bruised for our iniquity
The chastisement of our peace was upon Him
And with His stripes we are healed
Bless the Lord oh my soul
And forget not all His benefits
Who forgiveth all my iniquities and
Who heals all my diseases

[Chorus:]

In Jesus' name be healed
If you have faith yeah, be healed
It's yours, it's yours, be healed [x2]

[Verse 2:]

I believe that You healed the blind man
And I believe that You cleansed the ten
I believe that You made the lame walk
And I believe that You raised the dead
And I believe You're the cure for cancer
And You can heal HIV and AIDS
I believe that You can do all things
Cause by You all things were made

[Chorus:]

In Jesus' name be healed say
Back pain, heart disease
No matter what the problem is be healed
Migraine headaches, asthma be healed

[Bridge:]

Now, just receive it
I need you to stretch your faith
It's your now, just believe it
Nothing is impossible, No
Just receive it, now unto Him that is able to do
Exceedingly, abundantly above all you can ask or think
I believe it in Jesus name

[Chorus:]

Be healed, be healed
Arthritis, high blood pressure be healed
Seizures, deafness be healed
Blindness, sickle cell be healed
Hey, just receive it
He's still a miracle worker
He's still an awesome God
Just like the woman with the issue of blood
Just like He healed the blind man
Just like he raised the little girl from the dead
He can heal you, sickness don't have to kill you
With God, you can receive it
I dare you receive it by faith
It's yours, hallelujah, yeah
It's yours, no matter what the problem is
He can make a way [x3]

No matter what it is, eh
Somebody say, be healed
Yeah, be healed
Now unto Him that is able
To do exceedingly above all you can ask or think
Be healed, hallelujah
He can raise the dead, got all power in His hands
In the name of Jesus be healed
