

Be There

Capital Kings

on the run, we're on the run, on the run
we hit the brakes but keep movin'
left with none, we're left with none, left with none
except these scars and these bruises

when everything turns dim
it's love that finds a way
it's one last time
before we fly away

(Chorus)

when the lights go down, i'm gonna be there
when you're on the run, i'm gonna be there
when you're hangin' on, i'm gonna be there
i'm gonna be there, i i'm gonna be there
when the lights go down, i'm gonna be there
when you're on the run, i'm gonna be there
when you're hangin' on, i'm gonna be there
i'm gonna be there, i i'm gonna be there
be there, be there

just begun, it's just begun, just begun there's no
stopping we're cruisin'
all we've done, all that we've done who do we think
we're foolin'

when everything turns dim
it's love that finds a way
it's one last time
before we fly away

(Chorus)
