

I Can't Quit

Capital Kings

I can't quit

Yeah, ain't no way I'm slowing this down
If you see me coming through, then just know it's bout to get loud
Okay, I've been up for like four days
Paranoia man, I can't think straight
My mind's gone in another place
But that's not how you start, it's how you finish the race
Say, "Woop!", yeah
And I know that it sound like me, it is but it ain't
My life stays 100 like it was a bank
Either you following up or you're watching on tape
End up a quitter, that's something I ain't

I can't quit
No! Ain't nobody flexing with me
I can't quit
I can't do it!
I got the keys to the city!
I can't quit
No!
I get it poppin' like Diddy!
I can't quit
Woo!
All of my my partners legit!
I can't quit

Put those, put those hands up!

Lord knows I got hosts started rollin'
I see hate in they eyes
Know yourself know your team
Do they want you to win?
I done failed 'bout a hundren times
More I fall then the more I climb
Have fun say it with me
As long as He got me, I'm winning!
Oh Lord I'm 100 proof
Never quitting and I never lose
Oh Lord I can see it now
Hands up I'm gonna lay it down
100 players on the ground
Unashamed then I hit the ground
Young king need the crown
My heart I lay it down

Can't stop it now, overcoming
I'm giving it every part of me
Oh this is sick, I'm all about it
Oh no oh no oh

I can't quit
Ain't nobody flexing with me!
I can't quit
I got the keys the city!
I can't quit
Whipin' it, whipin' it, I get it poppin' like Diddy!

I can't quit
All of my partners legit!
I can't quit

Put those, put those hands up!
