

# You'll Never Be Alone

Capital Kings

I'm the street lights that guide you home  
I'll be the GPS when you've lost your phone  
I'll be the song that's rockin' in your headphones  
I'll show you the signs to let you know  
You'll never be alone

Hey let me start it off by saying this  
You mean everything to me, nothin' I wouldn't risk  
Every single second or moment that passes by  
I'm thinkin' about you and really want you to know that  
There's something more out there  
Something that will hold you very tight when your  
scared  
Cause I know when times get tough, and it starts to get  
rough  
It can feel like everything's crashin' down on ya

So when it seems like every road you're on has hit a  
dead end  
There is hope, let me show

I'm the street lights that guide you home  
I'll be the GPS when you've lost your phone  
I'll be the song thats rockin' in your headphones  
I'll show you the signs to let you know  
You'll never be alone

Man crazy how you got this far  
I'd be sittin' just wonderin' where to start  
Last week you were sayin' that somethin' just ain't  
right  
Layin' in your bed stayin' up all night cause  
This life is harder than it seems  
But one thing I've learned is never stop chasin' your  
dreams  
And if it ever gets to hectic for you stop for a second  
And remember one thing

Sometimes life is an ocean, we're just tryin' to float  
We get caught in slow motion from the undertow  
Sometimes the path to choose is right in front of you  
You just gotta let go
