

## Ain't No Sunshine

Cappella

Ain't no sunshine when he's gone  
It's not warm when he's away  
Ain't no sunshine when he's gone  
And he's always gone too long  
Anytime he goes away

Ain't no sunshine when he's gone  
It's not warm when he's away  
Ain't no sunshine when he's gone  
And he's always gone too long  
Anytime he goes away
