

# The King of No Man

## Captain, We're Sinking

You killed a man to see if he'd rise again  
But he just laid there and bled  
Stare at pictures of you and me  
All alone in this colony  
You killed a man to see if he'd rise again  
But he just laid there and bled  
Now there's no one left  
It's just you and me all alone

Now if they judge our sins  
Don't tell them about the things we did  
Now if they judge our sins  
Don't tell them about the things we did

You killed yourself to see if you'd rise again  
But you just laid there and bled  
On cardboard boxes and outdated magazines  
All alone in this colony  
You killed yourself to see if you'd rise again  
But you just laid there and bled  
There's no one left

It's just me  
I'm all alone

Now no one moves and no one speaks  
I've traded the sounds of conversations  
For the hum of these machines  
I'm the king of all the land  
I'm the king of no man  
I'll lick my wounds and wait for you  
Only you

I'm the king of all the land  
I'm the king of no man  
I'm the king of all the land  
I'm the king of no man  
Well, I'm the king of all the land  
I'm the king of no man  
Yeah, I'm the king of all the land  
I'm the king

Now if they judge our sins  
Don't tell them about the things we did  
In the end when they judge our sins  
Don't tell them about the things we did
