

This is a story of our youth in a heartbeat
We were young and reckless with no care

So take my word from an old soul
Don't take a back seat to life

These are the years that we hold close to our hearts and with o
ur souls
Do you remember?
Oh, what a beautiful youth

Feeling happy, feeling free
These were the golden times to me
When we felt invincible

So take my word from an old soul
Don't take a back seat to life

These are the years that we hold close to our hearts and with o
ur souls
Do you remember?
Oh, what a beautiful youth

We did what we wanted to
Where we're going no one knew
Living so carelessly
That's the way it should be

These are the years that we hold close to our hearts and with o
ur souls
Do you remember?
Oh, what a beautiful youth
