VERSE 1

Am

Take me away, take me away

G

I don't want to stay, I don't want to stay

F

I hate what you say, I hate what you say

Am

G

Am

and hopefully I never slip inside a sky that's gray

Am

Your holiness bled,

G

your holiness prays, your holiness bled

F

I'm sick in the head in a number of ways

Am

G

Am

and I recommend a psychotherapist to clean up your brain

F

Am

I recommend a psychotherapist to clean up your brain

F

C

I recommend a psychotherapist to clean up your brain

CHORUS

C

G

And if your heart is broken, let your heart be broken

F

Do you know the sunshine?

Am

G

C

I love you more, I do, I want to come home to you

C

G

It's what my soul has spoken, around my throat, I'm choking

F

C#m

Do you know the sunshine?

VERSE 2

Am

My beautiful dove, my beautiful dove

G

floating high up above, floating high up above

F

I'm swallowing stars and shitting out love, yeah

Am

G

I love you more, I do, I want to come home

Am

Pure heart and soul, the treasures I own

G

Where did you go and how have you grown?

F

I'm sick in the head in a number of ways

Am

G

Am

and I recommend a psychotherapist to clean up your brain

F

Am

I recommend a psychotherapist to clean up your brain

F
