

My Valentine

Carl Thomas

Yeah, yeah, yeah
Oh, yeah

Sometimes at night I can not sleep
I think of you with revering
But like an ancient melody
You're beautiful but melancholy
Girl if I could
Don't you know I would
Take the pain away from

My Valentine
Tell me why
Why you never smile

What can I do
To get through to you
My funny Valentine
I'd do anything just to see you smile

I know obsession is a sin
But I feel you underneath my skin
Are you the prize that I'll never win
Because you haunt me like a thousand violins

But I won't give up, no no
Until I earn your trust
Cuz you're a part of me
And it's my destiny to fly away with

My Valentine
Tell me why
Why you never smile

What can I do
To get through to you
Tell me you're

My Valentine
Tell me why
Why you never smile

What can I do
To get through to you
My funny Valentine
I'd do anything just to see you smile

Smile (To see)
Smile (Your smile)
Smile (Your touch, your smile)
To see (Your face) you smile (Your smile)
Smile (Your smile, your touch)
Smile (Your smile, your smile, your face)
Why won't you smile (Why won't)
Smile (You smile)
Smile (Why won't you smile)
I'll make you smile (Oh, why won't)

Smile (you smile)
Smile
Ooh
