

# One With Heaven

Carl Thomas

Me and my thoughts  
Ridin' high on a plane  
Over white clouds  
I can hear angels sing  
Let's use the stars  
To find paradise  
Connect to all  
And there's no sacrifice

Oh...  
One, one  
I am one

No time or space  
Feels like forever and a day  
When I call your name  
Before the storm you feel the change  
We've searched so far  
Just to find paradise  
If you stay where you are  
You will find the light inside

Oh...  
One, one  
I am one

It's a place where love  
(A place where love)  
Can fly so free from  
(Can fly free from)  
(The way that they say it is)  
They say it is, oh yeah  
(A place where love can go so far)  
From wherever they say you are

One, one  
I am one  
You know I feel it  
I'm one  
I'm one
