

# Love Is Gone

Carlene Carter

Love is gone...  
Time keeps draggin' on  
Sleep won't come  
while I wait for the song

When I was up  
I thought I understood  
but now I'm down  
It no do no good

Cause i lie away and call your name  
Living without you is driving me insame

Love is gone...  
Time keeps draggin' on  
Sleep won't come  
while I wait for the song

I spoke my clever words  
but they were lies  
When i see you  
I'm paralyzed

Oh darling I'm so alone  
Deep within my heart i know

Love is gone...  
Time keeps draggin' on  
Sleep won't come  
while I wait for the song

Love is gone...  
Time keeps draggin' on  
Sleep won't come  
while I wait for the song

Love is gone...  
Time keeps draggin' on  
Sleep won't come  
while I wait for the song

Love is gone...  
Time keeps draggin' on  
Sleep won't come  
while I wait for the song
