

Amado Mio

Carmen Consoli

Amado mio, love me forever
and let forever begin tonight
when we're together, amado mio
I don't care whether it's from the right
Many times I've whispered

Amado mio
it was just a phrase
that I heard in plays
I was acting a part
But now when I whisper

Amado mio
can't you tell I care
by the feeling there
for it comes from my heart
