

Coming Back as a Man

Caro Emerald

I live on the edge
But something has me really turning red
I toss 'em then I turn inside this bed
Oh yeah, yeah I said it

I'm unsatisfied
With all the Romeos and their goodbyes
Their 'see ya later's' incomplete their lines
That's why I sigh

It's not just me I talk about
Our rage is on the way
All the money in the women's world
Will never make 'em change

Gonna grab the yellow pages
Find DaVinci of the threads
To dress me up and make me look
Like someone else instead
It's time for my rehearsal
The ultimate reversal
You see I've got a plan
I'm coming back as a man

I'm gonna wear blue
And find a pair of flat black leather shoes
But shine more than a diamond, mine could do
And add something new

Like wear a cologne
That says you are the man I'm gonna own
And whispers baby, will you take me home?
Va va va va va vum

I drop a hint and then my keys
And then I cast a net
To catch someone who's in for such
A night he won't forget

Gonna grab the yellow pages
Find DaVinci of the threads
To dress me up and make me look
Like someone else instead
It's time for my rehearsal
The ultimate reversal
You see I've got a plan
I'm coming back as a man

I'll hide behind the Errol Flynn moustache
Remove that false impression
To make sure the feeling lasts
Call me the equalizer for the girls
And tell me baby, tell me where it hurts

Gonna grab the yellow pages
Find DaVinci of the threads
To dress me up and make me look

Like someone else instead
It's time for my rehearsal
The ultimate reversal
You see I've got a plan
I'm coming back as a man
