

# I Believe In Love

Carola

Oh yeah  
I believe (-hum)  
I believe  
Oh yeah  
Hey

I feel the heat around me  
I feel the beat surrounds me  
Could this be for real I wonder  
No need for hesitation  
It's time for celebration  
Will this be the night I waited for

When angels fall in love  
Heaven knows does it show (-oh)  
If this love will last for eternity  
Set me on fire

I believe, I believe in love  
And like the stars above  
They shine, let it shine over me  
Set me free  
I believe in you and that our love is true  
Oh, I believe, I believe

I see that people dancing  
Boys and girls romancing  
They want this to last forever

Cause underneath the moonlight  
Everything is alright  
We're reaching our hands up in the air

To where the souls alive  
Heaven knows that it shows (-oooh)  
If this love will last for eternity  
Set me on fire

I believe, I believe in love  
And like the stars above  
They shine, let it shine over me  
Set me free  
I believe in you and that our love is true  
Oh, I believe, I believe

How could I doubt what was meant to be?  
Everything I needed was in front of me  
Your healing touch will lift me up  
In the sky so high--I believe, I believe,  
I believe, I believe  
I believe in you

I believe, I believe in love  
And like the stars above  
They shine, let it shine over me  
Set me free  
I believe in you and that our love is true

Oh, I believe, I believe

I believe, I believe in love  
And like the stars above  
The shine on me  
Set me free  
I believe in you and that our love is true  
Oh, I believe, I believe  
Oh, I believe, I believe
