

Just the way you are

Carola

Don't go changing, to try and please me
You never let me down before
Don't imagine you're so familiar
And I don't see you anymore
I would not leave you in times of trouble
We never could have come this far
I took the good times and I'll take the bad times
I'll take you just the way you are, can't you see?

Don't go trying some new fashion
Don't change the color of your hair
You always have my unspoken passion
Although I might not seem to care

I don't want clever conversation
I never want to work that hard

I just want someone that I can talk to
I want you just the way you are
The way you are, can't you see?

I need to know that you will always be
The same old someone that I knew
What will it take till you believe in me?
The way that I believe in you...
The way that I believe

I said I love you
And that's forever, that's forever
I said I love you and that's forever
And this I promise from the heart
I could not love you any better
I love you just the way you are
I love you, I love you
