

## Secret Love

Carola

I close my eyes and I imagine  
That I'm holding you so close  
But it's all just in my mind  
Still you're the one that I always wanted

But I know it's make believe  
That you'll ever be with me  
Cause you belong to someone else - I know

So you are my secret love  
It's you I dream of  
And sometimes I cry when I think of you  
And I - I need you so much  
I long for your touch  
But I know that you will always  
Be my secret love

I wish that we could be together  
But I know it's in my mind  
And if I had you for a lifetime  
There'd be no mountain we couldn't climb

So if I dream that me and you  
Hag a love that was so true  
Do you believe in dreams come true - I do

So you are my secret love...

I can never let you know - I can never let it show  
How I want you - how I need you  
I have to keep my secret safe  
Cause it would be out of place  
To try to make you mine, all mine

So if I dream that me and you  
Hag a love that was so true  
Do you believe in dreams come true - I do

So you are my secret love...
