Woman In Love

Life is a moment in space When the dream is gone Its a lonelier place I kiss the morning goodbye But down inside you know We never know why The road is narrow and long When eyes meet eyes And the feeling is strong I turn away from the wall I stumble and fall But I give you it all... Chorus: I am a woman in love And I do anything To get you into my world And hold you within Its a right I defend Over and over again What do I do? With you eternally mine In love there is No measure of time We planned it all at the start That you and i Would live in each others hearts We may be oceans away You feel my love I hear what you say No truth is ever a lie I stumble and fall But I give you it all Repeat chorus I am a woman in love And Im talking to you

Do you know how it feels? What a woman can do Its a right That I defend over and over again... Carola
