

## You Bring out the Best in Me

Carola

Darling, just take my words  
We are much closer than we were, baby  
And now at last I've found  
The love that I've been looking for, baby  
As long as you're right here beside me  
Then I promise you, my love  
I'll never let you down, oh no, oh no, oh no

Because you, you bring out the best in me  
You hold the key that opened up my life  
Showed me just how love could be, really be  
And baby you, you've been worth the waitin' for  
Darling, you're more than just someone in my life  
You bring out the best in me

I felt so many times  
My life was nothing without you, baby  
So, reach into my mind  
Now all the lonely nights are through, baby  
We'll share in each and every moment  
And i guarantee my love to no one else but you  
Oh no, oh no, oh no
