## **Natural Woman**

## **Carole King**

I used to feel uninspired

And when I knew I had to face another day

Lord, it made me feel so tired

Before the day I met you, life was so unkind

But your love was the key to peace of mind

Cause you make me feel, you make me feel, You make me feel like a natural woman

When my soul was in the lost-and-found You came along to claim it I didn't know just what was wrong with me Till your kiss helped me name it

Now I'm no longer doubtful of what I'm living for And if I make you happy I don't need to do more

Cause you make me feel, you make me feel, You make me feel like a natural woman

Oh, baby, what you've done to me You make me feel so good inside And I just want to be close to you You make me feel so alive

Cause you make me feel, you make me feel, You make me feel like a natural woman
